So they entered heaven, and sure enough, there are ducks all over the place. It is almost impossible not to step on a duck, and although they tried their best to avoid them, the first woman accidentally steps on one.

Along comes St. Peter with the ugliest man she ever saw. St. Peter chains them together and says, "Your punishment for stepping on a duck is to spend eternity chained to this ugly man!"

The next day, the second woman steps accidentally on a duck, and along comes St. Peter, who doesn't miss a thing, and with him is another extremely ugly man.

He chains them together with the same reason as for the first woman.

The third woman listens to all of this and not wanting to be chained for all eternity to an ugly man, is very, VERY careful where she steps.

She manages to go months without stepping on any ducks, but one day St. Peter comes up to her with the most handsome man she has ever laid eyes on... very tall, tanned and muscular.

St. Peter chains them together and leaves without saying a word. The woman remarks, "I wonder what I did to deserve being chained to you for all of eternity?"

The guy says, "I don't know about you, but I stepped on a duck."

A woman rushes into the foyer of a large hotel and sprints up to the reception desk. Seeing that the only member of staff is talking on the phone, she hammers on the bell for service. The receptionist slowly puts down the phone. 'Yes?' he says warily. 'I'm in a frightful hurry, could you check me out please?' The clerk stares at her for a second and looks her up and down. 'Not bad' he smiles. 'Not bad at all'.

A traffic policeman pulls over a car on a lonely back road and approaches the lady driver. "Ma'am, why were you weaving all over the road?"

"Oh officer" the woman replies "Thank goodness you're here! I almost had a terrible accident. Swerving to avoid a tree I looked up to see another tree right in front of me, so I pulled the car over to the right and there yet again was another tree in front of me."

The copper nods then points to the thing dangling under the rear view mirror.

"Ma'am", he says patiently, "That's your air freshener."

A guy bought a new Mercedes and was out on the 401 for a nice evening drive. As the needle jumped up to 125 mph he suddenly saw a flashing red and blue light behind him.

Confident he could outrun the police car, he began to drive faster. The needle hit 130, 140, 150 and finally 160 with the lights still behind him. "What am I doing?" he thought and pulled over.

The cop came up to him, took his license without a word and examined it and the car. "I've had a tough shift and this is my last pull over. I don't feel like more paperwork, and I did enjoy chasing you like that, so if you can give me an excuse for your driving that I haven't heard before you can go."

"Last week my wife ran off with a cop," the man said, "and I was afraid you were trying to give her back."

"Have a nice night," said the officer and went home.

There was once a very lonely man, who went home to his lonely house every night, ate his meal for one TV dinner and went to bed, alone. One day he decided that he would buy a pet to keep him company. So along he went to his local pet shop. He described his sad lonely existence to the shop-keeper who immediately said "I've got the perfect pet for you! He's a very special pet, doesn't take a lot of looking after and very friendly". "Excellent, I'll take it", said the man.

The shopkeeper went out to the back of the shop and came back with a very small box, "Inside this is a talking centipede", he said.

The man was delighted and intrigued; he paid for the centipede and took the little creature home.

Later that evening, he set the centipede on the kitchen table and said, "Hi there matey, I'm off to the pub for a pint, do you fancy joining me?" there was no answer from the centipede. Still the man put it down to the centipede being in a new environment, "best let him get used to his new home" the man thought.

The next day the man set the centipede on the table and asked him again if he would like to accompany him to the pub - still no answer. Still acclimatising thought the man.

The following day, the man tried again, thinking that if he still got no answer from the so-called "talking" centipede he'd take him back to the shop. So he put the centipede on the table and said, "hey there, I'm off to the pub, do you fancy coming with me?" To which the centipede replied, "I heard you the first time I was just putting my shoes on!"

"You sign, you sign!"

Behind him is an enormous truck full of car exhausts.

Nelson is standing there in complete amazement when the Japanese man starts to yell louder.

"You sign! You sign!"

Nelson says to him, "Look mate, you've obviously got the wrong bloke. Get lost!" and shuts the door in the Japanese man's face.

The next day he hears a knock at the door again. When he opens it, the little Japanese man is back, with a huge truck full of brake pads. He thrusts his clipboard under Nelson's nose, yelling, "You sign! You sign!"

Mr Mandela is getting a bit hacked off by now, so he shoves the little Japanese man back, shouting:

"Look, get lost!! You've got the wrong bloke! I don't want them!" then slams the door in the Japanese man's face again.

The following day Nelson is resting, and late in the afternoon, hears a knock on the door again. Upon opening the door, the little Japanese man thrusts the same clipboard under his nose, shouting,

"You sign! You sign!"

Behind him are TWO large trucks full of wing mirrors.

Nelson loses his temper completely, picks the little man up by his shirtfront and yells at him, "Look, I don't want these! Do you understand? You must have the wrong man! Who do you want to give these to?"

The little Japanese man looks at him a bit puzzled, consults his clipboard, And says:

and I thought nothing of it. Now, every morning I find more and more holes. It's  
messy, embarrassing and I'm bloody worried about it"

The Doctor asks him to plop it on the table so he can have a look. He squints at it,  
looks at it from all angles and lifts it up with the end of his pen to examine all the  
holes.

"Hmmm. Yes, I think I can help you," he says and hands the bloke a business card,  
"This is a good friend of mine. Give him a call and he'll be able to help."

Relieved, the man pops his cock away and thanks the doctor "Thank you. Thank  
you. I was so worried. Is he a plastic surgeon?"

"Good God no. He plays the flute. He'll show you how to hold it when you go for a  
piss."

When she did, he got out of his truck and pulled a piece of chalk from his pocket. He drew a circle on the side of the road and gruffly commanded to the blonde, "Stand in that circle and DON'T MOVE!"

He then went to her car and cut up her leather seats. When he turned around she had a slight grin on her face, so he said, "Oh you think that's funny? Watch this!" He gets a baseball bat out of his truck and breaks every window in her car. When he turns and looks at her she has a smile on her face. He is getting really mad. He gets his knife back out and slices all her tires.

Now she's laughing. The truck driver is really starting to lose it. He goes back to his truck and gets a can of gas, pours it on her car and sets it on fire. A lawyer and a blonde are sitting next to each other on a long flight from LA to NY. The lawyer leans over to her and asks if she would like to play a fun game. The blonde just wants to take a nap, so she politely declines and rolls over to the window to catch a few winks. The lawyer persists and explains that the game is really easy and a lot of fun. He explains, "I ask you a question, and if you don't know the answer, you pay me \$5, and vice-versa." Again, she politely declines and tries to get some sleep. The lawyer, now somewhat agitated, says, "Okay, if you don't know the answer you pay me \$5, and if I don't know the answer that you'll ask me, I will pay you \$500!." Figuring that since she is a blonde that he will easily win the match. This catches the blonde's attention and, figuring that there will be no end to this torment unless she plays, agrees to the game. The lawyer asks the first question. "What's the distance from the earth to the moon?" The blonde doesn't say a word, reaches in to her purse, pulls out a five-dollar bill and hands it to the lawyer. Now, it's the blonde's turn. She asks the lawyer: "What goes up a hill with three legs, and comes down with four?" The lawyer looks at her with a puzzled look. He takes out his laptop computer and searches all his references. He taps into the Air phone with his modem and searches the Net and the Library of Congress. Frustrated, he sends E-mails to all his co-workers and friends he knows. All to no avail. After over an hour, he wakes the blonde and hands her \$500. The blonde politely takes the \$500 and turns away to get back to sleep. The lawyer, who is more than a little miffed, wakes the blonde and asks, "Well, so what IS the answer?" Without a word, the blonde reaches into her purse, hands the lawyer \$5, and goes back to sleep.

A helicopter was flying around above Seattle yesterday when an electrical malfunction disabled all of the aircraft's electronic navigation and communications equipment.

Due to the clouds and haze, the pilot could not determine the helicopter's position and course to steer to the airport.

The pilot saw a tall building, flew toward it, circled, drew a handwritten sign, and held it in the helicopter's window. The pilot's sign said, "WHERE AM I?" in large letters.

People in the tall building quickly responded to the aircraft, drew a large sign, and held it in a building window. Their sign said "YOU ARE IN A HELICOPTER."

The pilot smiled, waved, looked at his map, determined the course to steer to SEATAC airport, and landed safely.

After they were on the ground, the co-pilot asked the pilot how the "YOU ARE IN A HELICOPTER" sign helped determine their position in Seattle.

The pilot responded "I knew that had to be the MICROSOFT building because, similar to their help-lines, they gave me a technically correct but completely useless answer."

A couple were going out for the evening. They'd gotten ready, all dolled up, dog put out, etc. The taxi arrives, and as the couple start out, the dog shoots back in the house. They don't want the dog shut in the house, so the wife goes out to the taxi while the husband goes upstairs to chase the dog out.

The wife, not wanting it known that the house will be empty explains to the taxi driver:" He's just going upstairs to say good-bye to my mother." A few minutes later, the husband gets into the cab.

"Sorry I took so long" he says. "Stupid bitch was hiding under the bed and I had to poke her with a coat hanger to get her to come out! Then I had to wrap her in a blanket to keep her from scratching and biting me as I hauled her ass downstairs and tossed her in the back yard! She better not shit in the vegetable garden again either!"

The train was very crowded, so the soldier walked the length of the train, looking for an empty seat. The only unoccupied seat was directly adjacent to well dressed middle aged lady and was being used by her little dog.

The weary soldier asked, "Please, ma'am, may I sit in that seat?"

The French woman looked down her nose at the soldier, sniffed and said, "You Americans. You are such a rude class of people. Can't you see my little Fifi is using that seat?"

The soldier walked away, determined to find a place to rest, but after another trip down to the end of the train, found himself again facing the woman with the dog.

Again he asked, "Please, lady. May I sit there? I'm very tired."

The French woman wrinkled her nose and snorted, "You Americans! Not only are you rude, you are also arrogant. Imagine!"

The soldier didn't say another word. He leaned over, picked up the little dog, tossed it out the window of the train and sat down in the empty seat.

The women shrieked and demanded that someone defend her and chastise the soldier.

An English gentleman sitting across the aisle spoke up, "You know, sir, you Americans do seem to have a penchant for doing the wrong thing. You're bad at holding the fork in the wrong hand. You drive your autos on the wrong side of the road. And now, sir, you've thrown the wrong bitch out of the window."

While attending a convention, three psychiatrists take a walk.

"People are always coming to us with their guilt and fears," one says, "but we have no one to go to with our own problems."

"Since we're all professionals," another suggests, "why don't we hear each other out right now?"

They agreed this is a good idea. The first psychiatrist confesses, "I'm a compulsive shopper and deeply in debt, so I usually over bill my patients as often as I can."

The second admits, "I have a drug problem that's out of control, and I frequently pressure my patients into buying illegal drugs for me."

The third psychiatrist says, "I know it's wrong, but no matter how hard I try, I just can't keep a secret."
